

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

PUBLIC ADVISORY NO. 14-2021

ADVISORY ON PASSPORT RENEWAL APPOINTMENT AND PASSPORT EXTENSION

The Philippine Consulate General in Chicago informs the Filipino and Filipino-American communities in the Midwest that, in view of the limited slots for passport renewal due to current health protocols, holders of expiring Philippine passports (not expired) may opt to apply for validity extension¹ for one (1) year, particularly for those with urgent need to travel (not for leisure) or to renew work/residency permits.

Alternatively, said passport holders may request an earlier passport renewal appointment through email address chicagopcq.passportappointments@gmail.com and attach a proof of urgency.

For more details regarding passport extension, please email us at chicagopcq.passport@gmail.com.

CHICAGO, 05 March 2021

¹ Extension applicants should acknowledge that border/immigration authorities may not accept a passport with extended validity.
