

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO

10 July 2020

Dear Leaders of Accredited Filipino Community Organizations in the Midwest:

Good day from the Philippine Consulate in Chicago!

The Philippine Consulate, in cooperation with the Federation of Philippine American Chambers of Commerce, will be publishing a directory containing the contact details of Filipino enterprises and professional entities located in the Midwestern States of Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

As part of the Consulate's economic diplomacy and community outreach initiatives, the directory aims to promote Filipino enterprises and professional entities in the region and provide a value chain network that could be beneficial to community members, suppliers and consumers. We plan to disseminate the information to the public and other companies for their information and business reference.

For purposes of this directory, Filipino owned enterprises are those owned by Filipinos, dual citizens or American citizens of Filipino descent. Enterprises with Filipino partners that are majority owned by US citizens will also be included in the directory.

In this regard, the Consulate requests your organization's assistance in distributing the attached form to Filipino enterprises and professional entities in your locality. They are requested to send the accomplished form to economic.pcg@gmail.com or cultural.chicagopcg@gmail.com on or before 15 August 2020.

We look forward to your usual cooperation and assistance. Thank you.

Sincerely,

GINA A. JAMORALIN
Consul General
