CALIDAD HUMANA CHARTER MAKING COMPETITION LAUNCHED

The Consulate General of the Philippines in Chicago would like to inform the members of the Filipino community that *Calidad Humana* is holding a contest entitled ***Calidad Humana – Kapwa Charter Making Competition***.

Calidad Humana is a positive and constructive attitude towards others beyond any kind of differences, giving priority to concern for people than to material things.

Participants of the competition are invited to suggest up to three (3) behaviors that people in the Philippines and around the world should practice daily in order to preserve the spirit of *Calidad Humana* and the *Kapwa Culture*. Suggestions must be done in a practical and concrete way more than only the theoretical and the abstract.

The criteria for judging are as follows: Behavior Chosen (50%); Explanation – A short description of the behavior and justification for choosing such behavior (30%); and its Impact (20%). The competition is open to all Filipinos and those of Filipino ancestry. The contest most especially targets the youth, who will be the most active sector in this challenge. **All entries must be submitted directly, along with the complete name and contact details of the interested party/individual, to the following:**
