

## **CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES CHICAGO**

PRESS RELEASE 110-2019

### **PHILIPPINE CONSULATE GENERAL SUCESSFULLY COMPLETED TEAM-BUILDING ACTIVITIES**

Consulate personnel and their families braved the chilly weather in Chicago on Wednesday, 30 October 2019, for the first-ever Post's bowling tournament. The second and last part of the scheduled team-building activities of the Consulate for the year, the bowling tournament was held at the Chicago's Lucky Strike Bowling Lanes from 5:00 p.m. to 8:00 p.m.

The four participating teams with six-seven members each displayed their guts and poise during the games vying for the first and second places that would earn them victory plaques. The plaques will be awarded to the winning teams during the Consulate's Christmas party on 20 December.

But more than the victory and the plaques, the competition has once more given an opportunity for the personnel and their families to interact outside of the work environment, enhancing further the spirits of camaraderie, friendship, unity and cooperation they have developed and nurtured while at work.

Held two days before Halloween, the players posed for the camera arrayed in scary and weird Halloween costumes. Sumptuous foods were served during the games.
