The Team also informed the Consulate about Ayala Land's most recent approach in real estate development.

In return, Consul General Jamoralin shared and enjoined ALISI to be its partner in undertaking some of its major projects, including the Consulate's *Travel Immersion Project* for young Filipino-Americans; *Sister-City Ties* between cities in the US Midwest and the Philippines; and, in handling the planned visits to the Philippines by US delegations (e.g., culture, commerce, and trade and investments) to meet and interact with their Philippine counterparts.

Mr. Arbues expressed ALISI's strong support for these initiatives, noting that these efforts are well aligned with the activities that Ayala Land and its business partners have always been committed to do and support.
